EXPERIENCE

General Assembly, Boston, MA — *Software Engineer-in-Training*

February 2020 - May 2020

- Placeholder text
- Placeholder text
- My cat Scampi is a little fatter than I'd like but I still love her

Wayfair, Boston, MA — *Software QA Analyst*

July 2018 - February 2020

- Wrote and executed test cases and test plans for new and existing features with Agile methodology across multiple teams
- Performed regressions, smoke tests, and end-to-end testing across browsers and platforms
- Took initiative in developing, maintaining, and updating documentation between releases

Seated, Boston, MA — *Software QA Analyst*

January 2018 - July 2018

- Ran checklists against front-end and back-end systems to ensure system stability
- Acted as an intermediary between the developers and the office staff to facilitate clear communication
- Tested new features, reported bugs, and verified basic health using Agile methodology

EDUCATION

Boston University, Boston, MA — *Communications and PR*

August 2014 - May 2018

I studied Communications and PR with a concentration in Psychology.
